President's Message

There is an Italian adage that my mother and father used to say: *"Natale con i tuoi e pasqua con chi voi"*, which translates essentially as "Christmas is to be spent with your family and Easter can be spent with whomever you like". For me, Christmas has always been the time of year when family gets together and shares fun, laughter and above all, "love". It is my wish for you that your holidays will be filled with fun, laughter, love, and the spirit of Christmas.

This past year has been a challenging one for our Fogolar, but it is ending on an upbeat note with positive results and important accomplishments. One area where we've made an important gain is in terms of public recognition for the contributions we are making in our community. One act of kindness comes from the "seamstresses" of the Women's Association who are making blankets and hats for newborns, as well as designer toques and hats for cancer patients. The creations which they hand craft are being donated to the maternity and cancer wards at Windsor Regional Hospital. Another benevolent act is found in the relationship that we are developing with the Victorian Order of Nurses (VON). The Fogolar presented the VON with proceeds from the Polentafest Gala held in September. The relationship we are fostering with the VON is important and rewarding; we are proud to be "giving back" to the community. These are just two examples of the works we are doing and the charitable donations we have made this past year.

There are many others. I extend a special thank you to all the volunteers who give their time so that such activities can be realized.

The future looks bright for our Fogolar. I encourage you to try and help us keep "the light" on.

On behalf of my family and from the Board of Directors and their families to yours, I wish you a Merry Christmas and a Happy New Year.

Bon nadal e bon principi

Cesare Pecile,
President

MERRY Christmas

Wishing you a Christmas rich with happy moments, heartwarming traditions and lasting memories.
