President's Message

Dear Member/Caro Socio,

Summer is almost gone and fall is knocking at our door. I hope all is well with every one of you. The summer has been fruitful for our Fogolar, beginning with the "Young Furlans Exchange Weekend". The event was very successful, with camaraderie, fun and dance enjoyed by all.

Another important event this summer was the Children's Summer Camp, which took place the weeks of July 15 and 22 and featured Furlan teacher, "Ornella," direct from Friuli. The children learned Furlan words and songs from Miss Ornella and they loved it, as we witnessed at the end-of-camp banquet where the children entertained their parents. A great time was had by all.

Finally, the "Polenta Gala in Honour of the VON" was a tremendous success in its inaugural year. Dignitaries like Windsor Chief of Police and City Councillor Fulvio Valentinis, former Hotel Dieu CEO Frank Bagatto, and a few more "Who's Who" of our community were in attendance. I thank all Fogolar members who were in attendance that night. It was very rewarding to see the Club and community support for the good work our Fogolar is doing for our great city. Those who did not attend missed out on an exquisite and unique meal prepared by our wonderful cooks, Antonietta, Gina and Pietro. They presented something we never had before and it turned out perfectly, once again proving that we are getting better — I say we are the "best in class"!! The Victorian Order of Nursing was delighted with all our efforts and is looking forward to being with us again next year.

Finally, the Club elections are at our doorstep. This is election year and I would ask that you please consider running for a qualified position. If you are thinking of running, make sure you have the "time for and knowledge of" the position for which you wish to run. Our club is no longer a "cantina," a meeting-run club, but an energetic, innovative, modern, transparent organization that is visible in the community. Remember, we are and we want to get better at what we do.

Pictured here are the "Young Furlans & Friends" during their tour of our Fogolar!

In closing, I would like to remark that in any club, there are two categories of members: those who give and those who take. In which category do you belong? I will leave you to answer this very important question.

I look forward to seeing you at the September 29, 2013 General Assembly meeting.

Grazie and Thank You,

Cesare Pecile
President

Young Furlans & Friends Weekend

On the weekend of July 12-14, 2013, we were very fortunate to host other Young Furlans in Windsor. We had groups from London and Toronto come down for the weekend. For many of them, it was their first visit to Windsor and first time seeing our Fogolar.

Friday night featured a fantastic BBQ with over 50 people in attendance. It was great to have so many Young Furlans and their friends and families come out to this event. There was delicious food, fun games and great entertainment.

As usual, Furlans have to build something, no matter where they are: a human pyramid!

On Saturday, we had the opportunity to showcase beautiful Windsor-Essex County. We drove out to Point Pelee for the day. We had a lovely picnic lunch full of savoury Italian deli meats, and took in the magnificent sights at the Point. Those from out-of-town really enjoyed seeing the picturesque county and we had a great time connecting with each other, discussing other ideas for gatherings and events that can bring us together in the future.

Saturday evening was a gala dinner. We had a phenomenal meal and a DJ that played the night away for us. Though we only had about 25 people attend the gala, everyone who was there had a great time. The best thing about it was that people who had only known each

Furlans taking claim at the tip of Point Pelee!

other for a few hours were now getting to be friends; dancing and talking all night!

On Sunday, we held a farewell brunch. It was a lovely day and we were able to take a guided tour of the Fogolar, led by our President. Those from out-of-town were blown away by the beautiful grounds, state-of-the-art kitchen and newly renovated halls. It was sad to say good bye to our new friends when it finally was time for them to head back home, but we know that we will keep in touch and see them again very soon.

The purpose in holding the Young Furlans and Friends Weekend was to bring other young Furlans down to our Fogolar and network with them to discuss how to keep our culture alive for future generations. Well, we were certainly able to show off our Fogolar and we were very proud to do so. As for keeping the culture alive, we discussed how important it is for us to keep holding events and activities to keep our Young

Furlans involved with the Fogolar. The hope is that each of the Fogolars and Famees in the Federation can take this on as a goal and then we can hold more

events that bring the youth together. Hopefully, with more successful events, more Young Furlans will be eager to come out. We would like to extend thanks to a number of people: the Fogolar Furlan Windsor Board of Directors for their support; the local members and friends that came out to the events; the volunteers that did everything we asked; the Alpini for making the sausage for us; and everyone else who offered support and encouragement as we took this task on.

A big thank you to those that came from London and Toronto for the weekend and of course to those that helped plan this weekend and make it a success!

Stay tuned to the Fogolar Furlan Windsor Facebook page to see other events we have coming up for Young Furlans and Friends at our Fogolar.

Golf Tournament Recap

On July 21st, the 21st annual Fogolar Furlan Golf Tournament was held at Seven Lakes Championship Golf Course. Once again, a sold out event featuring 152 golfers enjoyed an exquisite sunny day on the golf course followed by a delicious barbeque hosted by the Fogolar.

The golf committee would like to thank all of our sponsors and volunteers for this day. Without their generous and continued support, this event would not be the continued success that we have grown to enjoy.

Special mention goes out to Rob Kobielski (right) who accomplished the rare feat of a hole in one!

Once again, we wish to thank you for your participation and promise to make next year's event even better!
