

# Special Meal Offerings

These options are available for guests with dietary restrictions. Fogolar Furlan Club makes every effort to accommodate special meal requests but we cannot guarantee that we would be able to accommodate all requests. We also cannot guarantee that cross contamination will not occur in our banquet kitchen environment. We do not use peanut oil but note that soya based products, corn, eggs, garlic, onions and mushrooms are always somewhere in our kitchen and possibly trace nut products.

We offer vegetarian, vegan, gluten free and dairy free meals.

Other special needs are considered on a case by case basis. Please send any questions to Lisa Doyon, Event Coordinator, at [ldoyon@fogolar.com](mailto:ldoyon@fogolar.com).
